

The Creeps (Booty Cologne Mix)

Camille Jones

Come on down to the creeps
Come on down to the creeps
(x 2)Make me take the ride
 Free drinks on tonight
 Take some have a feast
Break me 'cause it keeps coming...Down on either side
 Bleeding in my mind
 Waiting for the creeps
To kill my last believesSo come on down to the creeps
 Come onCome on down to the creeps
 Come on down to the creeps
 Come onWalking to the claim
 The creeps calling my name
 They get me every-time
I'm bleeding and i'm gettingWe go split before my eyes
 Increase, double size
 Lease out my brain
Am i insane to go.....on down to the creepsCome on down to the creeps(x5)
 Come onCome on down to the creepsHolding back the key
 Fading sanity
 Blowing up my head
Reaching for my always loving...Partner up in crime
 Soaking up my mind
 Filling up my glass
I'm gone, at lastSo come on down to the creeps
 (-repeat till the end-)
