

# Give a Little More

**Eric Bibb/Maria Muldaur/Rory Block**

Now you've been bad, and it goes on and on and on  
'Til you come home, babe, 'til you come home  
Beauty's past, the poison you've learned to love is gone  
    I'm all alone baby, I'm all alone  
    I'm waiting for something, always waiting  
    Feeling nothing, wondering if it'll ever change  
    And then I give a little more, ooh, babe  
        Give a little more, ooh, babe  
I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
    'Til I get a little more from you, baby  
        Get a little more from you, baby  
    You were wrong for turning me on  
        And on and on  
        And on and on  
        You make it so hard  
    I'm waiting for something, always waiting  
    Feeling nothing, wondering if it'll ever change  
    And then I give a little more, ooh, babe  
        Give a little more, ooh, babe  
I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
    'Til I get a little more from you, baby  
        Get a little more from you, baby  
        I have no defense  
    I know you're gonna get me in the end  
        And I cannot pretend  
        I never wanna feel this way again  
I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
    'Til I get a little more from you, baby  
        Get a little more from you, baby  
I'm not falling in love with ya, I'm not falling in love  
I'm not falling in love with ya, I'm not falling in love  
    'Til I get a little more from you, baby  
        Get a little more from you, baby
