

Hold On For Dear Love

Bridgit Mendler

I've been staring at the ceiling
Watchin' the fan swirl around around and round
Cus I can't hear my breathing?
The words we said are still so loud loud loud
We've been drifting off so far
That I don't even know where we are
Before we jump
Before we leave
And all is lost for you and me yeah

Chorus

If we're not stupid
We'll both hold on for dear love
Fight our way through this
It's not worth just givin' up
Cause I've got some fire left in me
And I don't see us endin' this way
If we're not stupid
We'll both hold on for dear love, love
I've been weighed down by the silence
Oh these words that don't come out

I been tempted just to write it
And say I'm sorry without a sound sound sound
Cause we've been drifting off so far
That I don't even know where we are
But we can try
And we can speak
Before we're lost in definitely
(Chorus)

I've been terribly human
Using you like a punching bag
And you've been terribly angry
Takin' out all your words, words on me
And I see what we were
And I know that we've hurt
But I know that it's worth it to fight
For all our love tonight
(Chorus)

Love Love Love
