If I'ma spend I'ma pay for some friends

I'ma pay for some friends

If I'ma spend I'ma pay for some friends

I'ma pay for some friends

If I'ma spend I gotta pay for some friends

Let me pay for some friends

If I'ma spend, shawty bring your friends

I'ma pay whole, just get 'em in

I'ma rap to you like Juvenile when that bag come

You want a rich nigga to pay your table tab, huh?

When we go shopping you want me to buy that bag, huh?

You don't like it when I hop out with that mag, huh?

You don't like when I'm finna dip with my niggas, huh?

That's the only way a nigga can't come get you, huh?

I got what you want, I know what you want

Want a rich nigga come up and pull up on your block

Rich nigga come up and pull up on your block

Bum bum, tell her get out that Honda [Hook: Quavo]

Girl all the rich niggas, girl all the rich niggas, they want you

Girl all the rich niggas, girl all the rich niggas, they want you

Want her, all the rich niggas want her

Want her, all the rich niggas want her

Want her, all the rich niggas want her

Want her, all the rich niggas want her

Want her, all the rich niggas want her

Want her, all the rich niggas want her [Verse 2: YG]

You want a nigga to buy you a new ass, huh?

You want a nigga to pop out that tag, huh?
You want a nigga that know how to smash, huh?
You want a nigga to curve like he got that badge, huh?
You want a nigga that don't care about your past, huh?
Cause you been living NASCAR fast, huh?
Don't talk about that bag, huh
Bought that bag and get that ass, huh
She fuck with niggas by the plug
She got me going against my morals
Oh this bitch lying, oh she loyal
Oh this bitch want to be spoiled
That pussy got me tripping, need to wake up
I let her sleep in my bed with all this makeup
That head game got me tripping, tripping
Can't believe she get herself face fucked[Hook: Quavo]
Girl all the rich niggas, girl all the rich niggas, they want you
Girl all the rich niggas, girl all the rich niggas, they want you
Want her, all the rich niggas want her
Want her, all the rich niggas want her
Want her, all the rich niggas want her
Want her, all the rich niggas want her
Want her, all the rich niggas want her
Want her, all the rich niggas want her[Bridge: Quavo]
Shit how you spending, spending, spending
Spending, spending, spending?
Shit how you spending, spending, spending
Spending, spending, spending?
She could make a rich nigga spend
She could make a rich nigga spend[Hook: Quavo]
