Never Learn

Hexfire

Why am I in love with a girl who treats me, oh, so badly?
Why am I in love with a girl who made me feel so sadly?
I can't get over you, don't know what I should do
You leave me feelin' down, then you come back aroundWhy am I in love with a girl who treats me, oh, so badly?
Why am I in love with a girl who made me feel so sadly?
I thought I was over you, I still don't have a clue
Why you came back this way and you got me up todayWhy am I in love with a girl who treats me, oh, so badly?
Why am I in love with a girl who made me feel so sadly?
I guess I never learn, woah, I don't wanna learn
Woah, guess I never learn, woah, I don't wanna learnWhy am I in love with a girl who treats me, oh, so badly?
Why am I in love with a girl who made me feel so sadly?
I don't know why, don't know why, why?
