

# I Want to Know

## Living Colour

Hey kids, let's go  
Baby, you stole my heart  
I don't know what to do  
Got one problem on my mind  
Do you feel the way I do?  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
When you walk down the street  
The cats don't even make a noise  
They worship at your feet  
Acting just like little boys  
I'm standing in the shadows, baby  
I got one thing that's on my mind  
Gonna make you love me, baby  
If it takes the rest of my life  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
It takes a lot of guts to show you  
How I feel, yeah, about you  
Just say the words and let me know  
It's real for you or is it just a dream  
I'm very patient, baby  
And I've got a lot of time  
I can see a clear horizon  
You and me standing side by side  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
I want to know  
Give me a sign, girl  
Open your heart and tell me  
That you're mine  
I want to know  
Give me a sign, girl  
Open your heart and tell me

That you're mineHow ya feeling, baby, baby?  
Let me knowI want to know  
I want to know  
I want to know
