

# Ms. Get Around

J. Holiday

I don't know if you ever met er  
And I don't know if you'll ever see her  
I call er Ms. Get Around  
Her name is Ms. Get Around  
She never stays in one place for too long  
She'll steal your heart before she moves on  
I call er Ms. Get Around  
Her name is Ms. Get Around  
(Get Around...)  
She's got a heart of stone  
Man that girl, she's so cold  
So don't get caught up I tasted danger  
When I tasted her lips  
She shut me down with no effort  
She poisoned me with a single kiss  
She might not know how to love  
But she knows how to make it  
And she might give you all her body  
But her heart ain't for takin Cus she ain't lookin for compatible  
Cus she don't wanna be your friend  
I call er Ms. Get Around  
Her name is Ms. Get Around  
She never stays in one place for too long  
She'll steal your heart before she moves on  
I call er Ms. Get Around  
Her name is Ms. Get Around  
(Get Around...)  
She's got a heart of stone  
Man that girl, she's so cold  
So don't get caught up  
She seemed so innocent  
Whoever would've thought?  
Had me thinkin that I was the only one  
Makin the headboard knock Uh baby  
It was all a lie  
Yea, I was ready to give her my last name  
And buy her a ring  
Until I... Took her out of the town for the night  
And she knew all of my friends, my friends

I call er Ms. Get Around  
Her name is Ms. Get Around  
She never stays in one place for too long  
She'll steal your heart before she moves on  
I call er Ms. Get Around  
Her name is Ms. Get Around  
(Get Around...)  
She's got a heart of stone  
Man that girl, she's so cold  
So don't get caught up with her  
She don't meet yo mama, no  
She just wanna ride up in yo Benz  
You can't take her shoppin no  
Give that girl Benjamins  
Yea, she'll like that  
I call er Ms. Get Around  
Her name is Ms. Get Around  
She never stays in one place for too long  
She'll steal your heart before she moves on  
I call er Ms. Get Around  
Her name is Ms. Get Around  
(Get Around...)  
She's got a heart of stone  
Man that girl, she's so cold  
So don't get caught up with her
