Trouble (Lunice Remix)

Totally Enormous Extinct Dinosaurs

Come and dance beside me, let you go
Try and stop me telling all these lies
Trouble with the only thing I know
I can see the games are lost in your eyes
Now you've got me messed up, please believe me
Looks like thats done, you win. I'll be leaving now
You make me happy, uh
I'm in trouble nowSomething tells me this won't go away
Take me home and put me out of sight
Trouble is the order of the day
