

Falling (Duke Dumont remix)

HAIM

I hurl
Into the moment like I'm standing at the edge (I know)
That no one's gonna turn me around
Just one more step, I could let go
Oh and in the middle,
I hear the voices and they're calling for me now (I know)
And nothing's gonna wake me now
'Cause I'm a slave to the sound And they're calling
Don't stop, no, I'll never give up
And I'll never look back, just hold your head up
And if it gets rough, it's time to get rough
They keep saying
Don't stop, no one's ever enough
I'll never look back, never give up
And if it gets rough, it's time to get rough
Oh, But now I'm falling, falling, falling
Falling, falling, falling
Falling, falling, falling
Falling, oh Now we're going down, ah
And I can feel the eyes are watching us so closely oh
I'm trying not to make a sound
'Cause I'll be found out somehow So keep calling
Don't stop, no, I'll never give up
And I'll never look back, just hold your head up
And if it gets rough, it's time to get rough ah
They keep saying
Don't stop, no one's ever enough
I'll never look back, never give up
And if it gets rough, it's time to get rough
But now I'm Into the fire feeling higher than the truth (I'm falling)
I can feel the heat but I'm not burning (But now)
Feeling desire, feeling tired, hungry too (I'm falling)
Feels like I'm falling, yeah
I can hear them calling (But now I'm falling) Into the fire feeling higher than the truth (I'm falling)
I can feel the heat but I'm not burning (But now I'm falling)
Feeling desire, feeling tired, hungry too (I'm falling)
Feels like I'm falling, yeah
I can hear them calling (Now I'm falling) Falling, falling, falling
Falling, falling, falling

Falling, Falling, falling
falling, oh
And now I'm falling Falling, falling, falling
Falling, falling, falling
Falling, falling, falling, oh
And now I'm falling Falling, falling, falling, falling
Fall yeah
But now I'm falling
Falling, falling, falling, falling
Fall-ing
And now I'm falling Into the fire feeling higher than the truth (But now I'm falling)
I can feel the heat but I'm not burning (I'm falling)
Feeling desire, feeling tired, hungry too (But now I'm falling)
Feels like I'm falling, yeah
I can hear them calling (fire) Into the fire feeling higher than the truth (But now I'm falling)
I can feel the heat but I'm not burning (I'm falling)
Feeling desire, feeling tired, hungry too (But now I'm falling)
Feels like I'm falling, yeah
I can hear them calling Never look back, never give up
Never look back, never give up
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling) Never look back, never give up
Never look back, never give up (I'm falling)
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling) Never look back, never give up
Never look back, never give up (I'm falling)
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling) Never look back, never give up
Never look back, never give up (I'm falling)
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling) Never look back, never give up
Never look back, never give up
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling) Never look back, never give up
Never look back, never give up
Never look back, never give up
I'll never give up, I'll never give up (But now I'm falling)
