Come On â€“ Go Off

Kmfdm

Below the belt - above the law
Right the muzzle - left the claw
Within - without
Get in - way out
Inbetween throughout
Ever true - never doubt
Far and beyond we rise above
I against I
Come on - go off
Land under foot - fly over head
Solve a puzzle - pose a threat
Within - without
Get in - way out
Inbetween throughout

After is before - less is more
Get in - get out
Rise up - fall down
Now or never
Now - forever
It's a fuckin' takeover
Shit or get off the pot
Whatever you stand for
We do not
Wtf?!
Hi-dee-hi
Hi-dee-ho
Come on - go off
Here we go
