

Come On â€“ Go Off

Kmfdm

Below the belt - above the law
Right the muzzle - left the claw
 Within - without
 Get in - way out
 Inbetween throughout
 Ever true - never doubt
Far and beyond we rise above
 I against I
 Come on - go off
Land under foot - fly over head
Solve a puzzle - pose a threat
 Within - without
 Get in - way out
 Inbetween throughout

After is before - less is more
 Get in - get out
 Rise up - fall down
 Now or never
 Now - forever
It's a fuckin' takeover
Shit or get off the pot
Whatever you stand for
 We do not
 Wtf?!
 Hi-dee-hi
 Hi-dee-ho
 Come on - go off
 Here we go
