Lazy Generation

The F-Ups

We are the lazy generation
No more standing out in line
So good at wasting our timeWe are the lazy generation
We are the lazy generation
We are the lazy generation
NowWe are the lazy generation
We are the lazy generation
We are the lazy generation
NowStand up and shout
We won't be there for you
Hey, hey, hey, hey, hey, hey, let's goWe are the lazy generation
They call us social mutations, why?
You can just drop dead and dieNothing we do ever seems to matter
Just like shit on a silver platter shines
Yeah, you know just where we standStand up and shout
We won't be there for you
Hey, hey, hey, hey, hey, hey, let's goStand up and shout
We won't be there for you
Hey, hey, hey, hey, hey, hey, let's goWe are the lazy generation
We are the lazy generation
We are the lazy generation
NowWe are the lazy generation
We are the lazy generation
We are the lazy generation
NowStand up and shout
We won't be there for you
Hey, hey, hey, hey, hey, hey, let's goStand up and shout
We won't be there for you
Hey, hey, hey, hey, hey, hey, let's goWe are the lazy generation
We are the lazy generation
We are the lazy generation
We are the lazy generation
NowNow
