Don't Fight the Feeling

One Way

Don't fight the feeling
Don't fight the feeling
Don't fight the feeling
Don't fight the feelingDon't fight the feeling
Don't fight the feeling
Don't fight the feeling
Don't fight the feelingWhen the feeling hits you
Show it your gun, yeah
Don't hold back the feeling
Let it go, yeahGo ahead and do your thing
You don't have to be ashamed
Do just what your soul says do
Go ahead girl get loose, justDon't fight the feeling
Don't fight the feeling
Don't fight the feeling
Don't fight the feeling(Do just what your soul says do)
Don't fight the feeling
(Do, do, do, do do just what pleases you)
Don't fight the feeling
Don't fight the feeling
Don't fight the feelingGo ahead and do your thing
You don't have to be ashamed
Do just what your soul says do
Go ahead girl get loose, just(Don't you fight it)
Don't fight the feeling
(Don't you fight it, do it)
Don't fight the feeling
(Don't you fight it)
Don't fight the feeling
(Don't you fight it, do it)
Don't fight the feeling(Don't you fight it)
Don't fight the feeling
(Don't you fight it, do it)
Don't fight the feeling
(Don't you fight it)
Don't fight the feeling
(Don't you fight it, do it)
Don't fight the feeling(Don't you fight it)
Don't fight the feeling

(Don't you fight it, do it)
Don't fight the feeling
(Don't you fight it)
Don't fight the feeling
(Don't you fight it, do it)
Don't fight the feeling
