

All the Same (Unplugged)

Sick Puppies

I don't mind where you come from
As long as you come to me
But I don't like illusions
I can't see them clearly I don't care, no, I wouldn't dare
To fix the twist in you
You've shown me eventually
What you'll do I don't mind, I don't care
As long as you're here Go ahead, tell me you'll leave again
You'll just come back running
Holding your scarred heart in hand
It's all the same And I'll take you for who you are
If you take me for everything
And do it all over again
It's all the same Hours slide and days go by
Till you decide to come
And in between, it always seems too long
For certain But I have the skill
Yeah, I have the will
To breath you in while I can
However long you stay is all that I am I don't mind, I don't care
As long as you're here Go ahead, tell me you'll leave again
You'll just come back running
Holding your scarred heart in hand
It's all the same And I'll take you for who you are
If you take me for everything
And do it all over again
It's always the same Wrong or right, black or white
If I close my eyes, it's all the same
In my life, the compromise
I'll close my eyes, it's all the same Go ahead, say it, you're leaving
You'll just come back running
Holding your scarred heart in hand
It's all the same And I'll take you for who you are now
If you take me for everything
And do it all over again
It's all the same
