

Little Death

Planes Mistaken For Stars

Little death
Witchy hex
Leave disturbance in my head
Cowboy mouth
Indian blood
Little death
The perfect curse Little death
Thief of fire
Love you baby
'till the day I die
Cloven hoof
Thunderwing
Holy pony
Gonna ride the wind
Little death
Sly as junk
Strong as death
Sweet as love
Make me dance
Make me sing
Buy you a death's head
Diamond ring
