

Over the Top

Pete Townshend

Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeah No idea where my life began
But I am a fearless iron man
(I am a fearless iron man)
(I am a fearless iron man) Lost my arm, lost my eyes
Broke my feet, bruised my thighs
Head's on a cliff, hanging from a tree
Neck's on the beach with my elbow and my knee Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeah My eye looked around and discovered my hand
Together they uncovered my arm in the sand
The pieces of me come together as one
We all dance forever in the morning sun Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeah No idea where my maker ran
But I am a fearless iron man
(I am a fearless iron man)
(I am a fearless iron man)
(I am a fearless iron man)
(I am a fearless iron man) Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeah Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
Yeah yeah yeah yeah, yeah, yeah Over the top we go
Yeah yeah yeah yeah, yeah, yeah
Over the top we go
