Chump Change (Fat Controller mix)

Pitchshifter

Don't want to be the boy, the denizen, the chump change.
I don't want to be the next step.
Don't want to be the toy, the jettison, the chump change.
I don't want to be the first up.
Cause we spent the last drop.
Who decides if it's alright?
(who decides?)
I SAID, who decides if it's alright?
Can't touch me, completely, reduction so easy.
Don't want to be the son, the citizen, the chump change.
I don't want to be the next step
Don't want to be the same, the medicine, the chump change
I don't want to be the first up.
Cause we spent the last drop.
Who decides if it's alright?
(who decides?)
I SAID, who decides if it's alright?
Can't touch me, completely, reduction so easy.
You can't touch me, not completely, your reduction is so easy.
I want to tell you this, I want to make you dive
I want to be the big fish, I want to see you fry. (x2)
Yeah see you fry.
Chump change.
And I spent the last drop.
Chump change.
Who decides if it's alright?
(who decides?)
I SAID, who decides if it's alright?
Can't touch me, completely, reduction so easy.
You can't touch me, not completely, your reduction is so easy.
