

# Chump Change (Fat Controller mix)

## Pitchshifter

Don't want to be the boy, the denizen, the chump change.  
I don't want to be the next step.  
Don't want to be the toy, the jettison, the chump change.  
I don't want to be the first up.  
Cause we spent the last drop.  
Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?  
Can't touch me, completely, reduction so easy.  
Don't want to be the son, the citizen, the chump change.  
I don't want to be the next step  
Don't want to be the same, the medicine, the chump change  
I don't want to be the first up.  
Cause we spent the last drop.  
Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?  
Can't touch me, completely, reduction so easy.  
You can't touch me, not completely, your reduction is so easy.  
I want to tell you this, I want to make you dive  
I want to be the big fish, I want to see you fry. (x2)  
Yeah see you fry.  
Chump change.  
And I spent the last drop.  
Chump change.  
Who decides if it's alright?  
(who decides?)  
I SAID, who decides if it's alright?  
Can't touch me, completely, reduction so easy.  
You can't touch me, not completely, your reduction is so easy.
