It's been too many times  
That I stuck out my neck for you  
It's been too many times  
That I spoke my mind to you It's been too many times  
That I caught all the flak from you  
Apathetic crap is all I can find in you I don't want no part in this  
I don't feel the need to score  
Burnt all bridges, closed my heart  
I don't want to be a part, no more Dosvidanija ciao adieu  
Hasta la vista, I'm on my way  
Goodbye, sayonara, auf nimmerwiedersehen  
Over and out and down the drain It's been too many times  
That I raised my voice at you  
It's been too many times  
That I walked the line with you It's been too many times  
That I've had no choice but you  
Hypocritical swine, I have had it this time  
Thank you I don't want no part in this  
I don't feel the need to score  
Burnt all bridges, closed my heart  
I don't want to be a part, no more Dosvidanija ciao adieu  
Hasta la vista, I'm on my way  
Goodbye, sayonara, auf nimmerwiedersehen  
Over and out and down the drain
