# In Spite of This

## Botch

i cannot, i will not support your lies, innocent organization the disguise, but in truth a business that feeds from the pockets of those seeking innocence. preaching words of hate, unfounded hate, and you remain in spite of this. integration of the lifestyles you wish kept from your lives, a belief for the people you see fit in your eyes. i will not be broken. you can not destoy me. why can't we accept diversity? immunity...
