Magic Touch

John DahlbÃ¤ck

Once in a lifetime, you find that power
To break out and run from the Devil's deep clutch
All that you need, it's the finest hour
Is to believe in the magic touch
A thief in the night
Love steals you far away
A thief in the night
Love takes your breath away
Can't believe it, like no other
Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the magic touch
Once in a lifetime, you find that faith
When you're under the spell and it takes control
Everything 'round you just falls in place
And all that you touch seems to turn to gold
A thief in the night
Love steals you far away
A thief in the night
Love takes your breath away
Can't believe it, like no other
Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the magic touch

Magic, magic
Magic, magic
Magic, magic
Once in a lifetime, you find that power
So break out and run from the Devil's deep clutch
All that you need, it's the finest hour
Is to believe in the magic touch
It's magic, it's magic
Magic, magic, magic
Can't believe it, like no other
Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the magic touch
Can't believe it, like no other

Love is a gift and to take you so much
You need the blue night to discover
Only true lovers have the magic touch
It's magic, it's magic, it's magic
It's magic, it's magic, it's magic
It's magic, it's magic, it's magic
It's magic, it's magic, it's magic
