

Vanilla Sky (OST D'D°D^{1/2}D,D»ÑCED^{1/2}D^{3/4}Dμ D^{1/2}DμD±D^{3/4})

Paul McCartney

The chef prepares a special menu
For your delight, oh my.
Tonight you fly, so high up
In the Vanilla Sky Your life is fine
It's sweet and sour
Unbearable great
You've got to learn
Every hour, you must appreciate. This is your time,
This is your day.
You've got it all.
Don't blow it away. The chef prepares a special menu
For your delight, oh my.
Tonight you fly, so high up
In the Vanilla Sky. Melted tin beads,
Cast your fortune
In a glass of wine. Snail or fish,
Balloon or dolphin
See your silver shine. This is your time,
This is your day.
You've got it all,
Don't blow it away. The chef prepares a special menu
For your delight, oh my.
Tonight you fly, so high up
In the Vanilla Sky
In the vanilla, uh, in the vanilla, oh, in the vanilla sky.
In the vanilla, ah, in the vanilla, uh, in the vanilla sky.
Mmmm in the Vanilla Sky
