My Own Summer (Shove It)

Deftones

Hey you, big star

Tell me when it's overHey you, big mood, guide me to shelter

'Cause I'm through

When the two hits the six and it's summerCloud, come

(Shove it, shove it, shove it)

Shove

(Shove it, shove it, shove it)

The sun

(Shove it, shove it, shove it)

Aside

(Shove it aside)I think God is moving its tongue

There's no crowd in the streets

And no sun in my own summerThe shade is a tool, a device, a savior

See, I try and look up to the sky

But my eyes burnCloud, come

(Shove it, shove it, shove it)

Shove

(Shove it, shove it, shove it)

The sun

(Shove it, shove it, shove it)

Aside

(Shove it aside)Cloud, come

(Shove it, shove it, shove it)

Shove

(Shove it, shove it, shove it)

The sun

(Shove it, shove it, shove it)

Aside

(Shove it aside)I think God is moving its tongue

There are no crowds in the streets

And no sun in my own summerCome

(Shove it, shove it, shove it)

Shove

(Shove it, shove it, shove it)

The sun

(Shove it, shove it, shove it)

Aside

(Shove it aside)
