

My, My What a Day

Clifford T. Ward

MY MY WHAT A DAY
My my what a day, everything is going my way
My my what a day, everything's O/K
My my what a day, I met you and now I'm smilin'
My my what a day, everything's O/K. I woke this mornin' with the same old face
But it's just not yawnin', an' it looks in place. Sing it to me . . . My my what a day, everything is going my way
My my what a day, everything's O/K
My my what a day, I met you and now I'm smilin'
My my what a day, everything's O/K. My my what a day, everything is going my way
My my what a day, everything's O/K
My my what a day, everything is going my way
My my what a day, everything's O/K. I woke this mornin' with the same old face
But it's just not yawnin', 'an it looks in place. Sing it to me . . . My my what a day, everything is going my way
My my what a day, everything's O/K
My my what a day, I met you and now I'm smilin'
My my what a day, everything's O/K. My my what a day, everything is going my way
My my what a day, everything's O/K.
(and fade).
