

Love in ya mouth (Feat. Big Boi)

Kilo Ali

I meet this girl in Atlanta, let me play in her mizzouth
She make my dick so hizzard, it never goes Sizzouth
From the side to the side, the bitch gon' get it all
From the top of my dizzick, to the bottom of my bizzall
I feel her fingernail as she grab it and beat it
She ready to eat it whenever I skied it
She did it in the dark but in the light she won't do it
She be unzippin' my pants she be gettin' straight to it
No, it was not a dream, even though that's what it seemed
I kick, I scrat, I skit, I scrat, I scream
The shit was feelin' freaky, she was feelin' fine
I didn't feel her teethes, I only felt her tongue
Relax, I'm gettin' massaged by tha massouse
She wouldn't let me gi-zzo, she wouldn't let me loose
I don't know her she was somebody else
But I was happy that's why I said to myself
But this shit was nothin new, she do it anyway
She didn't want to talk she ain't got nothin to say but[Chorus]
Oh ah ah ou ow ah ah ou love ya, love in ya mouth
Oh ah ah ou ow ah ah ou love ya, love in ya mouth
We makin love sho nuff we makin love all in ya mouth
We makin love sho nuff we makin love all in ya mouth
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can
Well can I put it in yo mouth, yes ya can I take three bitches and I put 'em in a line
I take four, five, six and blow 'dem hos mine
It'll take one more before I go for mine
Seven bitches get fucked at tha same time
She eats me, sun she, she can suck a dingo
All day all night all evenin' long
She said she nevea done it, she said she neva tried
She's sittin' there tellin' a mother fuckin' lie
Now, how many licks does it take to make my dick split
Well, not many licks if tha bitch is a good trick
Now, any niggaz can talk to a bitch and get tha bitch to fuck
But how many niggaz can talk to a bitch and get they dick sucked
Like me a pimp that you nevea saw
Now how do you say "manger et trois"

When my shit gets soft
She make my shit get long
I don't see nothin', I don't see nothin', I don't see nothin' wrong[Chorus]
