

# I'll Move On

## Bow Wow

[Mario]

Uh huh, yeah yeah, bow wow Mario,  
Y'all ready

[Chorus]

I'll move on

Here I live by, knowing I don't like what's on the table  
Looking at my life, doing what's right because I'm able  
Loving these lessons, more protected, feeling gradel

I'll move on

Here I live by, knowing I don't like what's on the table  
Looking at my life, doing what's right because I'm able  
There's no turning back to see it any more (yeah,yeah, yeah yeah yeah)  
I'll move on

Life goes on, as I roll on

I could only be a child for so long

Yeah I want to see my child hood prolong

But this time bow wow say so long

And I step to a new day,

New age, and a new page

In a book of life but it's looking like

Y'all ain't ready for the new phase

Then I'ma get more mature

Make mistakes, but hey

Everybody did that before

Ever feel like you've been trapped before

Wish you can open up a magic door

Step thought it, just do it

The way that you feel it but cha'll confuse it

Y'all want to show me, keep me secluded

But this is life I'm bound to go thought it

It's a process y'all gotta digest

Let the boy grow up, want to go out

Have a little fun, if it get a lil' wild,

Then so what

It's an ounce of experience

Just more than a pine of advice

I hope y'all hearing this, 'cause I'm serious

An it's like, I'm so curious about life  
I'm movin' on

[Chorus]

I bet you think you know what you think you know  
But I'm different than any one you've seen before  
So don't compare me to other thirteen year old's  
You seen lookin' cut comin' on the scene to blow  
First impression of a young adalesson  
A grown up mind that flow so impressive  
Grew up so fast in this profession  
A flash of concerts and late night sessions  
So much dough, he don't know it's a blessin'  
The way he brag, he gon' last one second  
But oh contrea don't stop and stare  
If I sell my jewelry and cut my hair  
Still be here after y'all  
Stand this all, I ain't had a chance to ball  
So when you doubt me I'll just laugh at cha'll  
Shouting out, fall in love, it ain't a plans at all  
But ain't no tellin'  
When there's no more sellin' other record end up  
Wit a pen label ends up a record nah  
But I still got act in basketball  
So if you ain't checkin' for me  
I ain't checkin' for y'all  
So  
Let this be a lesson to y'all  
When a rap acteace  
Play professional ball  
No matter who you get a rights  
Or who you listening to  
You get one life ain't nobody livin' but you

[Chorus]

[Mario]

Moving on yeah  
Moving on, moving on  
Ready  
I'm moving on  
Gotta move on  
I'ma move on  
All ya move on

Yeah  
Let it go now  
Get the roll now  
Me and you now  
Here we go now

[Bow Wow]  
Just playing around y'all  
Gotta go now y'all

[Mario]  
No no no no no
