

Make Your Mark (from "Shake It Up")

Drew Ryan Scott

We'll make a mark, we'll make a mark (we're gonna)
We'll make a mark, we'll make a mark (on the dance floor)
We'll make a mark, (we're gonna) we'll make a mark (on the dance floor)
We'll make a mark, we'll make a mark
Show time, strobe lights (strobe lights!)
Good life, feels right we're dancing (we're dancing right now)
Nothing could be better now, (nothings better) oh yeah (no, no nothings better)We could do whatever we like
and get crazy
If you wanna hang, alright, be my baby
Take me around the world like Superman, save me
Braver, stronger like the Navy, daily
Please don't try to fake it, only truth and lights, creations
Spread the love, no heart is vacant
In the end we'll all be saying we gonnaMake your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
It's time, it's time to start it up
Give all you got no matter whatMake your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
Tonight we're gonna let it show
We are, we are unstoppableOh oh oh oh, we'll make a mark
Oh oh oh oh, on the dance floor
Oh oh oh oh, we'll make a mark
Oh oh oh oh, on the dance floorLivin' legends, movin'
Doin' whatever (we're gonna change the world)
Tonight we gon' set it off, (set it off) oh yeah (oh, set it off)Spiralin' out and I'm wildin' out
All these crazy people gettin' loud and out
I step out on the scene 'cause I'm ready now
R-ready now, r-ready now
I'm showin' 'em, tellin' 'em where I'm from, from, from
I'm taking control, getting what I want 'cause we areMake your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
It's time, it's time to start it up
Give all you got no matter whatMake your mark, make your mark on the dance floor
Make your mark, make your mark on the dance floor
Tonight we're gonna let it show
We are, we are unstoppableWe'll make a mark, (wilding now) we'll make a mark (louding now)
We'll make a mark, (ready now) we'll make a mark (oh ready now!)
We'll make a mark, (wilding now) we'll make a mark (louding now)
We'll make a mark, (ready now) we'll make a mark (we are!)Make your mark, make your mark on the dance

floor

Make your mark, make your mark on the dance floor

It's time, it's time to start it up

Give all you got no matter what Make your mark, make your mark on the dance floor

Make your mark, make your mark on the dance floor

Tonight we're gonna let it show

We are, we are unstoppable Oh oh oh oh, we'll make a mark

Oh oh oh oh, on the dance floor

Oh oh oh oh, we'll make a mark

Oh oh oh oh, on the dance floor
