Wisteria

James McCartney

Baby don't you love me anymore
I can't tell what's a lie what's true
Maybe you've been running door to door
Was it all for youHysteria wisteria
All I want is to let you know
I'm missing you
Let me be you set me free
But I don't want to let you go
I'm missing youBaby I can't find you anymore
Tell me where are you
Lust for life lost for love
You're the only one that I'm thinking of
Baby I love you
Hysteria wisteria
All I want is to let you know
I'm missing you
Let me be you set me free
But I don't want to let you go
I'm missing youHysteria wisteria
I'm missing you
Let me be you set me free
I'm missing youBaby if you know what love is for
Let me know what it means to you
Save me I was stranded on the shore
Tell me what was I to do
Hysteria wisteria
All I want is to let you know
I'm missing you
Let me be you set me free
But I don't want to let you know
I'm missing youHysteria wisteria
I'm missing you
Let me be you set me free
I'm missing you
