Lullabies - Jim-E Stack Remix

Yuna

Like lullabies you are
Forever in my mind
I see you in all
The pieces in my life
Though you were mine
you were my first loveI wanted to go away with you
And I will leave all my troubles here
I wanted to run away with you
And I will bring all my dreams and fears
Like lullabies you are
Forever in my mind
I see you in all
The pieces in my life
Though you were mine
Like lullabies you are
Forever in my mind
I see you in all
The pieces in my life
Though you were mineThough you were mine
You were my first love
You were my first loveI wanted to start again with you
And I will leave all my worries here
I wanted only you
I know that I (have fear with you??)
Like lullabies you are
Forever in my mind
I see you in all
The pieces in my life
Though you were mine
Like lullabies you are
Forever in my mind
I see you in all
The pieces in my life
Though you were mineThough you were mine
You were my first love
You were my first love
You were my first love
