Lucky (Acoustic Version)

Lewis Taylor

Tell me what we're gonna do
I wanna know baby how we're gonna pull through
I see trouble all down the line
Some of us work too hard others tread a fine line
I'm getting tired of this politeness
I want what you've got
Or I'll just turn my back tonight
And I'll say thanks alot for nothing
If I don't get lucky you don't get lucky too
Will this last for long
I wanna know baby what did I do wrong
Do you want me to cry baby like a so-called new man
If I was a woman maybe I'd understand
You're missing out on such a good thing
But you don't seem to care
All this love I've got inside has got to go somewhere somehow
If I don't get lucky you don't get lucky too
If we don't make love it's over you and me got totry sometimes
If we don't work tonight then we just ain't right
