

# Lucky (Acoustic Version)

[Lewis Taylor](#)

Tell me what we're gonna do  
I wanna know baby how we're gonna pull through  
I see trouble all down the line  
Some of us work too hard others tread a fine line  
I'm getting tired of this politeness  
I want what you've got  
Or I'll just turn my back tonight  
And I'll say thanks alot for nothing  
If I don't get lucky you don't get lucky too  
Will this last for long  
I wanna know baby what did I do wrong  
Do you want me to cry baby like a so-called new man  
If I was a woman maybe I'd understand  
You're missing out on such a good thing  
But you don't seem to care  
All this love I've got inside has got to go somewhere somehow  
If I don't get lucky you don't get lucky too  
If we don't make love it's over you and me got totry sometimes  
If we don't work tonight then we just ain't right
