

Bittersweet

Saving Abel

This ain't no fun, staring down your gun
Yea, I should've known it
You take me alive under your life (?)
Yea, I should've known it
So bittersweet, the way you're killin' me You're like a beautiful lie
A ray of dark in the light
Like makin' love when we fight, so bittersweet
You take some joy in the pain
So tell me how do you like the taste?
It's bittersweet Above the fray is where you make it
So hard to swallow
You chase it down with your stubborn ground
Too heavy to move your pride
So bittersweet, the way you're killin' me
You're like a beautiful lie
A ray of dark in the light
Like makin' love when we fight, so bittersweet
You take some joy in the pain
So tell me how do you like the taste?
It's bittersweet This ain't no fun, staring down your gun
I should've known by now You don't see what I see
You don't know what I need
It's kinda bittersweet You're like a beautiful lie
A ray of dark in the light
Like makin' love when we fight, so bittersweet
You take some joy in the pain
So tell me how do you like the taste?
It's bittersweet
You're like a beautiful lie
A ray of dark in the light
Like makin' love when we fight, yea, it's bittersweet
You take some joy in the pain
So tell me how do you like the taste?
It's bittersweet It's bittersweet (It's bittersweet)
[repeat]
