

# Go Back

## ZaZa

rewind my jam  
old school take it back throw up your hands  
rewind my jam  
old school take it back throw up your hands I remember the times we had  
before we got in this mess  
used to tell you everything  
we were friends it was the best  
see i miss the nights  
we'd talk and drive  
get lost at 2 am it's alright  
baby if we start all over  
maybe it can happen again i wanna go back back  
to the old you  
no playing games the way you do now that i told you  
we were better off back then when we didn't feel like we needed to pretend  
i wanna go back back  
to when i knew you  
cause if we don't then I'm afraid  
don't wanna lose you  
we were better off back then when we didn't feel like we needed to pretend  
I wanna go back rewind my jam  
old school take it back throw up your hands  
rewind my jam  
old school take it back throw up your hands you've been acting so weird like  
I don't even know who you are  
why ya trying so hard to be  
something you know you're not  
cause it  
seems like everything has changed  
and we'll never be the same  
just wanna get back to when  
we didn't play these games i wanna go back back  
to the old you  
no playing games the way you do now that i told you  
we were better off back then when we didn't feel like we needed to pretend  
i wanna go back back  
to when i knew you  
cause if we don't then I'm afraid  
don't wanna lose you

we were better off back then when we didn't feel like we needed to pretend

I wanna go backrewind my jam

old school take it back throw up your hands

rewind my jam

old school take it back throw up your handswe gotta stop

what we are doing

I didn't wanna fight

what are we proving?

and now that we're back

we on the right track

let's keep it moving

stop

what we are doing

I didn't wanna fight

what are we proving?

and now that we're back

we on the right track

let's keep it movingi wanna go back back

to the old you

no playing games the way you do now that i told you

we were better off back then when we didn't feel like we needed to pretend

i wanna go back back

to when i knew you

cause if we don't then I'm afraid

don't wanna lose you

we were better off back then when we didn't feel like we needed to pretend

I wanna go backrewind my jam

old school take it back throw up your hands

rewind my jam

old school take it back throw up your hands
