Jungle Gym

G. Love

The city is my jungle gym
Look at this big great world that we're living in
There's lots of fun to be had on these streets
We can take a ride just you and me
It's a jungle gym
It's a jungle gym
Trolley cars and buses too
All the big kids going to school
I'm going to get a treat from the ice cream man
Catch me catch me if you can
It's a jungle gym
The city's nitty gritty but it's so much fun
We can take a ride go tell everyone
It's a jungle gym
Sha la la la la la la la la
These streets have got a rhythm
It's a funky beat
The more I learn inside the city
The more I learn in me
It's a jungle gym
It's a jungle gym
Movie theatres and museums
Fishing in the pond
ABC's 123's bring your friends along
Flying kites way up high into the blue sky
We can take a ride
Just you and I
It's a jungle gym
It's a jungle gym!
Sha la la la la la la la la
This city's nitty gritty but it's so much fun
We can take a ride go tell everyone
It's a jungle gym
It's a jungle gym
