Nothing On Me

Randy

I got questioned one day by the FBI
They say they got their information from a CIA spy
Got tipped off from the KGB
But they got nothing on meSome company detective got his eyes on me
'Cause I download some songs on mp3
And I got 'Catcher In The Rye' in my library
But they got nothing on me
They got nothing on me, they got nothing on meP O L I C E
They got nothing on me
Nothing on meP O L I C E
They got nothing on me
Nothing on me, nothing on me, nothing on meArrested and held by the Scotland Yard
The secret service men told them that I messed with a guard
They said that they would call me in the military
But they got nothing on me
They got nothing on me, they got nothing on meP O L I C E
They got nothing on me
Nothing on meP O L I C E
They got nothing on me
Nothing on meP O L I C E
They got nothing on me
Nothing on meP O L I C E
They got nothing on me
Nothing on me, nothing on me, nothing on me
