Moment of Surrender

Advisory - the following lyrics contain explicit language:

I tied myself with wire
To let the horses run free
Playing with the fire
Until the fire played with meThe stone was semi precious
We were barely conscious
Two souls too smart to be
In the realm of certainty
Even on our wedding dayWe set ourselves on fire
A girl could not deny her
Its not if I believe in love
If love believes in me
Oh believe in me[Chorus]
At the moment of surrender
I'm falling to my knees
I did not notice the passers by
And they did not notice meI've been in every black hole
At the alter of a Dark star
My body s now begging
Though it's begging to get back
Begging to get back
To my heart
To the rhythm of my soul
To the rhythm of my consciousness
To the rhythm of yes
To be released from controlI was punching in the numbers at the ATM machine
I could see in the reflection
A face staring back at me[Chorus]I was speeding off the subway
Through the stations of the cross
Every eye looking every other way
Counting down till the pain will stop[Chorus]
