

# Fever (dance floor mix)

Madonna

You give me  
You give me fever Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear  
Listen to me baby, hear every word I say  
No one can love you the way I do  
'Cause they don't know how to love you my way Chorus: You give me fever, when you kiss me  
Fever when you hold me tight  
Fever in the morning  
Fever all through the night  
Sun lights up the daytime  
Moon lights up the night  
My eyes light up when you call my name  
'Cause I know you're gonna treat me right  
Bless my soul I love you, take this heart away  
Take these arms I'll never use  
And just believe in what my lips have to say (chorus) Everybody's got the fever  
That is something you should know  
Fever isn't such a new scene  
Fever started long ago You give me fever, fever  
You give me, you give me fever (chorus)  
Romeo loved Juliet  
Juliet, she felt the same  
When he put his arms around her  
He said Julie baby, you're my flame  
He gave her fever Sun lights up the daytime  
Moon lights up the night  
My eyes light up when you call my name  
'Cause I know you're gonna treat me right (chorus) Fever, with his kisses  
Fever when he holds me tight  
Everybody's got the fever  
That is something you should know  
Fever isn't such a new scene  
Fever started long ago Captain Smith and Pocahontas  
Had a very mad affair  
When her daddy tried to kill him  
She said, daddy oh don't you dare  
He gives me fever

With his kisses  
Fever when he holds me tight  
Fever, I'm his Misses  
Daddy, won't you treat him rightFever, when you kiss them  
Fever, if you live and learn  
Fever, 'til you sizzle  
What a lovely way to burn (repeat twice)
