# If That Ain't Country

## Anthony Smith

Crank itWhere she grew up there ain't no roads
Out in the sticks where the ginseng grows
She's float down the river to get to school
Then her daddy come get her on an old pack muleShe ran back and forth shed to shack
Checkin' on the moonshine brewin' out back
If you don't get the picture by now
Then wait a minuteShe got a Bible, she's born again
She got a shotgun, she ain't afraid of sin
She got rebel rousin' rowdy friends singin'
Oh, oh, ohShe got a Trans Am with a trailer hitch
She got horses, cows and Dixie Chicks
Goes honky tonkin' just for kicks
If that ain't country, I don't know what isShe plants fifty acres with seed and a hoe
Come Fall you get lost in the tall corn rows
Don't need no phone where she come from
She just holler down the mountain and the boys all run fastYou might see her truck rollin' out of the woods
With a 12 point buck laid across the hoods
If you don't get the picture by now
Then wait a minuteShe got a Bible, she's born again
She got a shotgun, she ain't afraid of sin
She got rebel rousin' rowdy friends singin'
Oh, oh, ohShe got a Trans Am with a trailer hitch
She got horses, cows and Dixie Chicks
Goes honky tonkin' just for kicks
If that ain't country, I don't know what isIf you don't get the picture by now
Then wait a minuteShe got a Bible, she's born again
She got a shotgun, she ain't afraid of sin
She got rebel rousin' rowdy friends singin'
Oh, oh, ohShe got a Trans Am with a trailer hitch
She got horses, cows and Dixie Chicks
Goes honky tonkin' just for kicks
If that ain't country, I don't know what isI don't know what is
I don't know what
I don't know what is
