So Wrong

Bob Guiney

You and me standing on the edge
Of a waterfall
And through the clouds I can see the sun
Shining through it allLying somewhere forgotten in time
Like a stone we are so cold
And where we go from here baby
I don't knowCause I was so wrong for so long
Now it's time I picked up
And time I moved on
To bigger and better things for me
And it feels so right to stand up and fight
For what you believe in go on it's all right
Don't be afraidYou and me standing face to face
In the street
Trying to find some common ground
Somewhere that we can meet
Now you figure it out they say
It just takes a little time
But I don't know if I can go on
It's too far this timeNow I don't want to be the one to hurt you
So forgive me for what I said
I don't want to push you too hard
