

The Blizzard's Never Seen the Desert Sands

The Tallest Man on Earth

Oh, the blizzard's never seen the desert sands
I will set the tempo low in my commands
Come follow down the highway once trailed by my golden calf
Oh, the blizzard's never seen the desert sands And I will drive it like a shepherd to the sun
It's the easiest decision I have done
Come follow down the highway once trailed by my golden calf
Oh, the blizzard's never seen the desert sands And the bells up in the towers they will ring
And the frightened little choirs they will sing
They will tremble on their voices like it's from another shore
Oh, the frightened little choirs they will sing I will sit up in the saddle of the storm
I will ride across the sea I stand before
Though the people on the beaches weigh just nothing bout themselves
I will sit up in the saddle of the storm
