

Prayer

Jeff Berry Band

Verse 1

Thou hast said to walk on water
But I stumble in the sand
Oh, to run and not grow weary
Jesus come and hold my hand

Verse 2

Promise me Thou won't forsake me
For my life depends on Thee
Engrave it on my heart reminding
That Your truth has set me free

Chorus

For I believe, yes I believe
Please help my unbelief
For I believe, yes I believe
Oh Lord,
Please help my unbelief

Verse 3

Thou art great and full of light
That no eye can yet unpeel
Please give to me only through your might
A heart that longs to kneel
