Walking the Floor over You

George Hamilton IV

I'm walking the floor over you I can't sleep a wink that is true
I'm hoping and I'm praying as my heart breaks right in two
Walking the floor over youYou left me and you went away you said that you'd be back in just a day
You've broken your promise and you left me here alone
Don't know why you did dear but I do know that you're gone
I'm walking the floor over you...Now someday you may be lonesome too walking the floor is good for you
Now just keep right on walking and it won't hurt your pride
Remember that I loved you and I will the day I die
I'm walking the floor over you...
