

# Monster Among Men

## 5 Seconds of Summer

Demons hide behind my back  
And I can't see them, one, two, three, four  
Leading me to do their dirty work  
Won't let them knock down my door  
The stupid truth is I'm so bad for you  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men  
Fight your, always 'bout to fall just like sand  
Cast swords, three, two, one, go  
Strong hold, it's time for me to admit  
That I'm an asshole, so here I go  
Oh, the stupid truth is I'm so bad for you  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh-no-no-no, I can't take it  
Oh-no-no-no, I won't break your heart again  
I don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men  
Oh, no, don't wanna be a monster among men
