

I've Fallen in Love With You

Joss Stone

Oh, yeah, yeah
I've fallen in love with you,
Please tell me,
Tell me what else is there to do,
When feeling lips like yours
And looking into eyes like yours
Oh I might as well face it
Cause it's true
Yes, I've fallen in love with you, oohOh, oh, my beating heart wants you
And my empty arms need you
Don't you go, please stay
And never try to send me awayI've fallen in love with you
I've fallen in loveI've fallen in love with you
And you just got to feel the same way too
When you embraced me last night
The Lord knows it was pure,
Such pure delightOh, oh, my beating heart wants you
And my empty arms need you
Don't you go, please stay
And never try to send me awayOh yes my love
Oh yes my love
My darling, yeah, yeah, yeahI've fallen in love with you
I've fallen in loveI've fallen so deep in love, you see
Unto you become, the very soul of me
Oh, let me tell you something
I don't care, no
Anyway, all over my face it shows
Said I'm talking 'bout love this time
Oh yes I am
And you know what
It's not a schoolgirl crush
Oh, no, no, no, no
No, no, no, no, no,
Oh babyOh, oh, my beating heart wants you
And my empty arms need you
Don't you go, please stay
And never try to send me awayOh, oh, my beating heart wants you
And my empty arms need you
Don't you go, please stay

And never try to send me away[Repeat: x4]
