Howl

Beware Of Darkness

Lay down, heaven can wait
You think youâ€™re right, I think you can change
Draw some blood, Iâ€™m not going hungry tonight
Wonâ€™t it be fun, to Howl in the night?

Howl
So that the angels can hear you

Yeah
â€˜Catch me if you can
My, my, my,
Iâ€™m a hungry man
Oh oh
Catch me if I fall
Baby girl I wanna hear you howl!

Cut strings you think too much
I canâ€™t wait this long for a rush
A misery to be alone
Howâ€™d you want to be the lonely one?

Howl
So that the angels can hear you

Yeah
â€˜Catch me if you can
My, my, my,
Iâ€™m a hungry man
Oh oh
Catch me if I fall
Baby girl I wanna hear you howl!

(I want to hear you Howl)

Oh child when will you see the light?
No no I wonâ€™t give up the fight
No no when will you see the light?
Oh child I wonâ€™t give up the fight

Yeah

â€˜Catch me if you can
My, my, my,
Iâ€™m a hungry man
Oh oh
Catch me if I fall
Baby girl I wanna hear you howl!
