Motherfucker
Now
You got your legal baby
You got your legal good
You got your legal baby
Just like a common hood
You got your legal baby
You got your legal good
You got your legal baby
Just like a common hood
'Cause you don't need to look at me
To make yourself the fool
'Cause you don't need to come to me
To make yourself the fool
So I quit
So I quit
So I quit
You got your legal baby
You got your legal good
You got your legal baby
Just like a common hood
You got your legal baby

You got your legal good
You got your legal baby
Just like a common hood
So what's wrong?
'Cause, you don't need to look at me
To make yourself the fool
'Cause you don't need to come to me
To make yourself the fool
So I
So I quit
So I quit
So I quit
So I quit
{Try to take somethin' from me motherfucker}
You're gonna fuckin' die you piece of shit
You're gonna fuckin' die you piece of shit

You're gonna fuckin' die you piece of shit
So I quit
Now
So I quit
So I quit
Now
