Russia on Ice

Porcupine Tree

You think I deserve this
You said I was stupid
All my thoughts are like coal
But Russia on ice is burning a holeCan't stop myself drinking
Can't stop being me
If I call will you come and will you save me?I see the whole thing come down
I blow it to the ground
Well what the hell did you say?
You said you hate me this way
It's just a matter of timeA drop in the ocean
A significant motion
Nothing melts in this cold
But Russia on ice is burning a hole
