

# Dirty Little Secret (Thievery Corporation Mix)

[Sarah McLachlan](#)

If I had the chance love  
I would not hesitate  
To tell you all things I never said before  
Don't tell me it's too late  
'Cause I've relied on my illusion  
To keep me warm at night  
And I've denied in my capacity to love  
But I am willing to give up this fight I've been up all night drinking to drown my sorrows down  
But nothing seems to help me since you went away  
I'm so tired of this town where every tongue is wagging  
When every back is turned  
They're telling secrets that should never be revealed  
There's nothing to be gained from this but disaster Here's a good one  
Did you hear about my friend  
He's embarrassed to be seen now  
'Cause we all know his sins If I had the chance love  
I would not hesitate  
To tell you all things I never said before  
Don't tell me it's too late  
'Cause I've relied on my illusion  
To keep me warm at night  
And I've denied in my capacity to love  
But I am willing to give up this fight
