

Love Will Tear Us Apart (Joy Division)

[Marc Collin](#)

When routine bites hard
And ambitions are low
And resentment rides high
But emotions won't grow
And we're changing our ways
Taking different roads
Love, love will tear us apart
Again, again, again, again

Why is this bedroom so cold
Turned away on your side?
Is my timing that flawed
Our respect run so dry?
Yet there's still this appeal
That we've kept through
Our lives

[Repeat: x4]

Love, love will tear us apart again

You cry out in your sleep
All my failings exposed
There's a taste in my mouth
As desperation takes hold
Just that something so good
Just can't function more

[Repeat: x7]

Love, love will tear us apart again
