Keep Up

Hyper Crush

Keep up
Ke-e-e-e-e-ep up
Keep up
(Go Go Go Go) Keep up
Ke-e-e-e-ep up
(Donny Fontaine)
Wait girl not so fast,
slow it down and make it last
i been chasing you all night
dancing to the song like
move your body to the beat
shes a freak like
(imma imma freak imma imma freak freak)
yup girl why you teasing me?
just peep the scenery
im so ill at moving my feet
that i dont even need a beat

(Chorus)
Can you keep up?
keep my body moving back like speakers,
when I'm dancing you can barely see my sneakers,
Can you spin me like a record?
Spin me like a record?
(record record)
Can you keep up?
(go go go go)
Ke-e-e-e-e-ep up
(Holly Valentine)
Ok, keep coming around my way
oh you like how my nails are painted
grab me by the waist and.....move
if you see me flying past ya
its just because im fasta
im waitin so come capture me
if ou got those speakers blastin,
got moves like Micheal Jackson,
than show me your a dancing machine ma machine
(Chorus x2)

(Donny Fontaine)
Stop chick
Not so quick
The Donny pull out
look at my (uhh)
Its true
Im a maniac
And im bringin the 80's back
And all these ladies attack me
when i bring them the sack
(Holly Valentine)
My style, my swag
the way that i am walking,
to keep up with my pace
come play as i bend over
and tighten my shoe lace
See you do a double take (x2)
take (x4)
can you keep up?
ke-e-e-e-e-e-e-e-p up
(Chorus x2)
